Pursuant to an order of the Court of Washington County bearing date on the 17th day of March 1830, I have (being first duly sworn for the purpose) proceeded to state, settle and adjust the administration account of William Stalcup administrator of Peter Stalcup sen^r. dec^d.; and beg leave to submit the above as a true statement of said account: - and to make the following report, to wit.

- By reference to the agreement (which wherewith filed) made on the 22^d .day of June 1826 between William Stalcup for & on behalf of Mary Stalcup his mother, and Peter Stalcup sen^r deceased, it will be seen that the said Peter Stalcup sen^r. deseased is bound to pay said Mary Stalcup widow of deseased, the sum of ten dollars semi annually for and during her narural life. She is now upwards of seventy years of age and in good health, so that it is probabable she may yet live several years. - The administrator is desirous of making distribution of the estate, but in consequence of this claim upon the estate, cannot tell what sum is necessary to be retained in his hands in order to meet this claim as it becomes due. - Your Commissioner would therefore[^]respectfully suggest to the court the propriety of making an order on the subject directing the administrator to retain in his hands and loan out, as much money[^]as will from the interest arising therefrom, pay the said annuity as it becomes due. I have allowed the administrator \$15.00 for his personal trouble since the last settlement, including fee to counsel for making motions to court for appointment of Commissioner to make settlement, having same admitted to record, and all other matters in relation thereto which I deem an adequate compensation, the commission allowed by the former Commissioner, being in my opinion a large one.

All of which is respectfully submitted this 14th day of July 1831.

Jacob Lynch

At a Court held for Washington County the 25th day of July 1831.

This Settlement of the estate of Peter Stalcup S^r deseased was returned to court by the Commissioner and ordered to be recorded.
