## PLAN AHEAD NOW!

RESOLVE NOT TO MISS ANOTHER GATHERING

Annual STALCOP  
Family Gathering at  
the HOME PLACE  
of  
Charlie & Mary  
Stallcup  
Bryson City, Swain  
County, NC

### *FUTURE GATHERING PLANS INCLUDE SOME RECENT FAMILY HISTORY*

During the next Gathering we hope to recreate some recent history from the 1930s.

Anyone who wants to give it a go may try their hand at making fresh butter. We will serve the results for lunch.

Fred and Harvey, sons of Mary & Charlie, plus several cousins formed a band to make extra money. They would rehearse on the front porch. Folks up and down the branch would come to sit in the yard and listen. Anyone in the mood got up to dance. Someone would tell family tales during the band breaks.

### **HORN TOOTING**

Blessed is he who tooteth his own horn,  
Because if he tooteth not,  
His horn shall not be tooted!
